**Re: SECTION 403(r)(6) NOTIFICATION**

Dear Sir or Madam:

In accordance with the requirements of section 403(r)(6) of the Federal Food, Drug and Cosmetic Act, Melaleuca, Inc., notifies FDA that it has begun using the following statements:

- This unique dietary supplement fortifies and detoxifies your gastrointestinal tract with two strains of healthy probiotics. These "good" flora—superior to those found in yogurt—help improve the absorption of the nutrients you consume in food and nutritional supplements.
- Improves nutrient uptake and fortifies the digestive tract with healthy flora.
- Scientifically classified as "probiotics," these bacteria work together to help detoxify, restore, and boost beneficial flora in your body.
- Together these two powerful probiotics: enhance vitamin and mineral absorption; work to maintain healthy, beneficial bacteria; boost your immune system; help food decomposition and absorption.
- Balancing intestinal flora.
- Add Florify to your supplement routine and enjoy life with a healthier gastrointestinal system.

These statements contain the statutory disclaimer. The names of the dietary supplement to which these statements apply is Florify™, and the relevant dietary ingredients are lactobacillus acidophilus, bifidobacterium lactis, calcium phosphate, fructooligosaccharides, green tea extract.

I certify that the foregoing is complete and accurate, and that Melaleuca, Inc., has substantiation that the statements are truthful and not misleading.

Very truly yours,

Melaleuca, Inc.
